

## ASPPH Appropriations Priorities, FY 2015

(includes funding from Prevention and Public Health Fund)

	FY 2013 Final (Post Sequester)	FY 2014 Final	FY 2015 President's Budget	FY 2015 Senate Subcommittee	FY 2015 ASPPH Recommendations
<b>HRSA Public Health Training Centers (# of PHTCs)</b>	4,029,000 (37)	9,864,000 (11)	13,064,000 (11)	See note below	\$23,000,000 (increase number of PHTCs)
<b>HRSA Public Health Traineeships</b>	0	2,500,000	0	See note below	\$5,000,000 (increase number and size of traineeships)
<b>CDC Prevention Research Centers (# of PRCs)</b>	23,424,000 (37)	25,000,000 (26)	25,000,000 (26)	25,000,000	\$45,000,000 (fund all approved PRC applications)
<b>CDC Centers for Public Health Preparedness</b>	8,000,000	8,000,000	0	8,000,000	\$8,000,000 (restore to FY 2014)
<b>CDC NIOSH Education and Research Centers</b>	23,005,000	27,000,000	0	27,000,000	\$27,000,000 (restore to FY 2014)
<b>CDC NIOSH Agricultural Forestry and Fishing Centers</b>	24,365,000	24,000,000	0	24,000,000	\$24,000,000 (restore to FY 2014)
<b>NIH - Total</b>	28,926,000,000	29,926,000,000	30,126,000,000	\$30,459,181,000	\$32,000,000,000 (+ 6.9% over FY 2014)

Note: PHTCs and Public Health Traineeships appear to be level-funded, with the two lines combined under the heading *Public Health Workforce Development*, which is funded at \$22 million, but has \$10 million in set-asides – leaving \$12 million for the PHTC and PHT programs.
