CEPH's Update for Round 3

Ms. Mollie Mulvanity

Deputy Director
Council on Education for
Public Health

Council *on* Education *for* Public Health

Criteria Revisions: March 2016 Update

Major Goals/Priorities

- Ensure quality of education in public health
 - Our mission
 - Our charge from USDE
- Increase flexibility and opportunities for innovation
- Simplify and reduce the reporting burden
- Preserve the school distinction/designation
 - ASPPH's request

- Released curricular criteria for comment (Feb)
- Web-based & in-person presentations to groups, listening sessions, Q & A
- Considered Round 1 comments on curriculum
- Released full draft for comment (Nov)
- Employer Panel at APHA (Nov)

2014

- Discussions begin in Council
- Web survey to stakeholders
- Technical Assistance Session with Q & A

2015

2016

- Considered Round 2 comments (Jan)
- Released revised full draft for comment (Feb)
- Consider Round 3 comments (June)
- Release updated draft for comment (July)
- Consider Round 4 comments (October)
- Adopt final criteria & implementation plan (release in November)

Major proposed changes: review & overview

- “5 core areas” replaced with specific competencies defined for all MPH students
- Redefinition of SPH requirements
 - 3 MPH
 - 2 doctoral
- SBP curricular criteria integrated in SPH & PHP criteria
- Changes in methods of “counting” faculty resources
- Flexibility in practice experience requirements for MPH
- Greater definition for DrPH
- Vastly reduced reporting burden in research, service, etc.

Major changes between rounds 2 & 3 of comment

- Reduced # of required MPH & DrPH foundational competencies & updated content
- Clarified criteria that elicited comments/questions
 - MPH practice experience
 - Tracking post-graduation outcomes
- Adjusted faculty resource requirements
 - Fewer restrictions on double-counting
- Added “Foundational PH Knowledge” for MPH & DrPH, separate from competencies for each

Some emerging consensus during round 2...

- Consensus on many areas
- Identified priority areas for continuing discussion
 - # of required SPH degree offerings
 - Evaluation & outcomes
 - Faculty resources
 - MPH, DrPH, MS, PhD & other grad curricula
- All criteria open for comment in round 3, though priority areas are intended focus

Next steps

- **Comments due to CEPH by COB on May 16**
- Stay tuned in early July for next draft!
- Next comment period in summer to early fall—likely due date in mid- to late September
- Anticipated release of criteria & implementation plan in late Oct – early Nov
 - Implementation plan will explain what you need to do & by when
 - Past experience suggests 1st SVs with new criteria will be in 2018, but nothing decided yet!

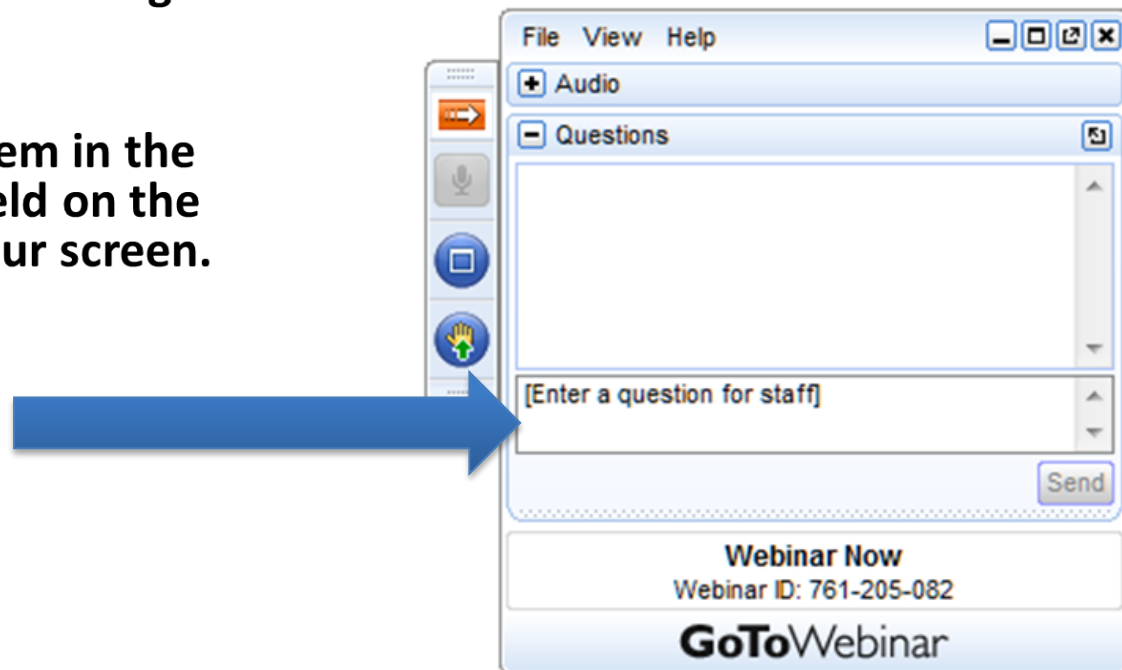

Keep the excellent comments coming!

Method for Submitting Questions

Join the Conversation...

- You can ask questions in writing anytime during the webinar.
- Simply type them in the “Questions” field on the right side of your screen.

Onto *Your* Questions and Comments

Is MPH generalist still an option under the current CEPH criteria?

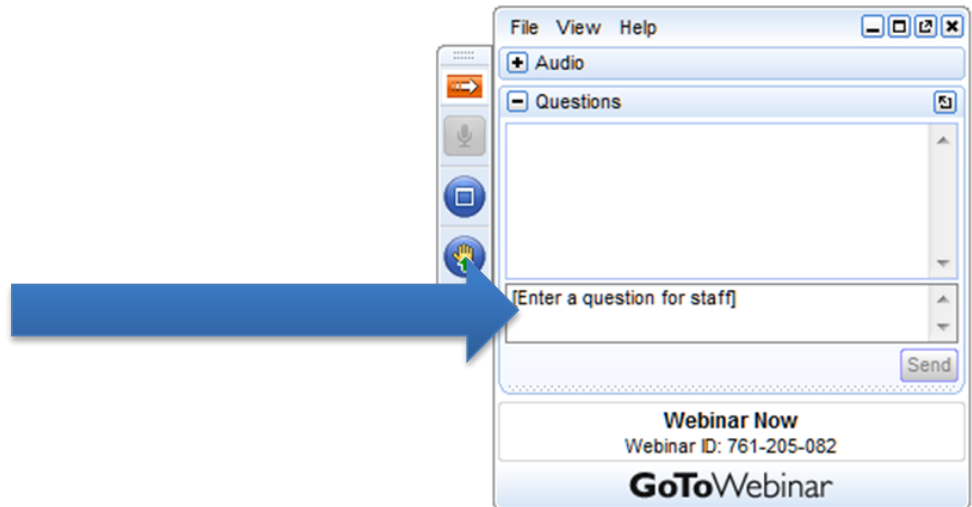

Onto *Your* Questions and Comments

Why must there be a certain number of faculty members to be a school? Some programs have creative ways to share faculty.
