New criteria, new perspectives

Now that we've established that...

Old	Proposed revisions
Vision	Vision
Mission	Mission
Goals	Goals
Values	Values
Measurable objectives	Multiple measures...

Layer 1

appropriate evaluation methods and measures that allow the school or program to determine its effectiveness in advancing its mission and goals...

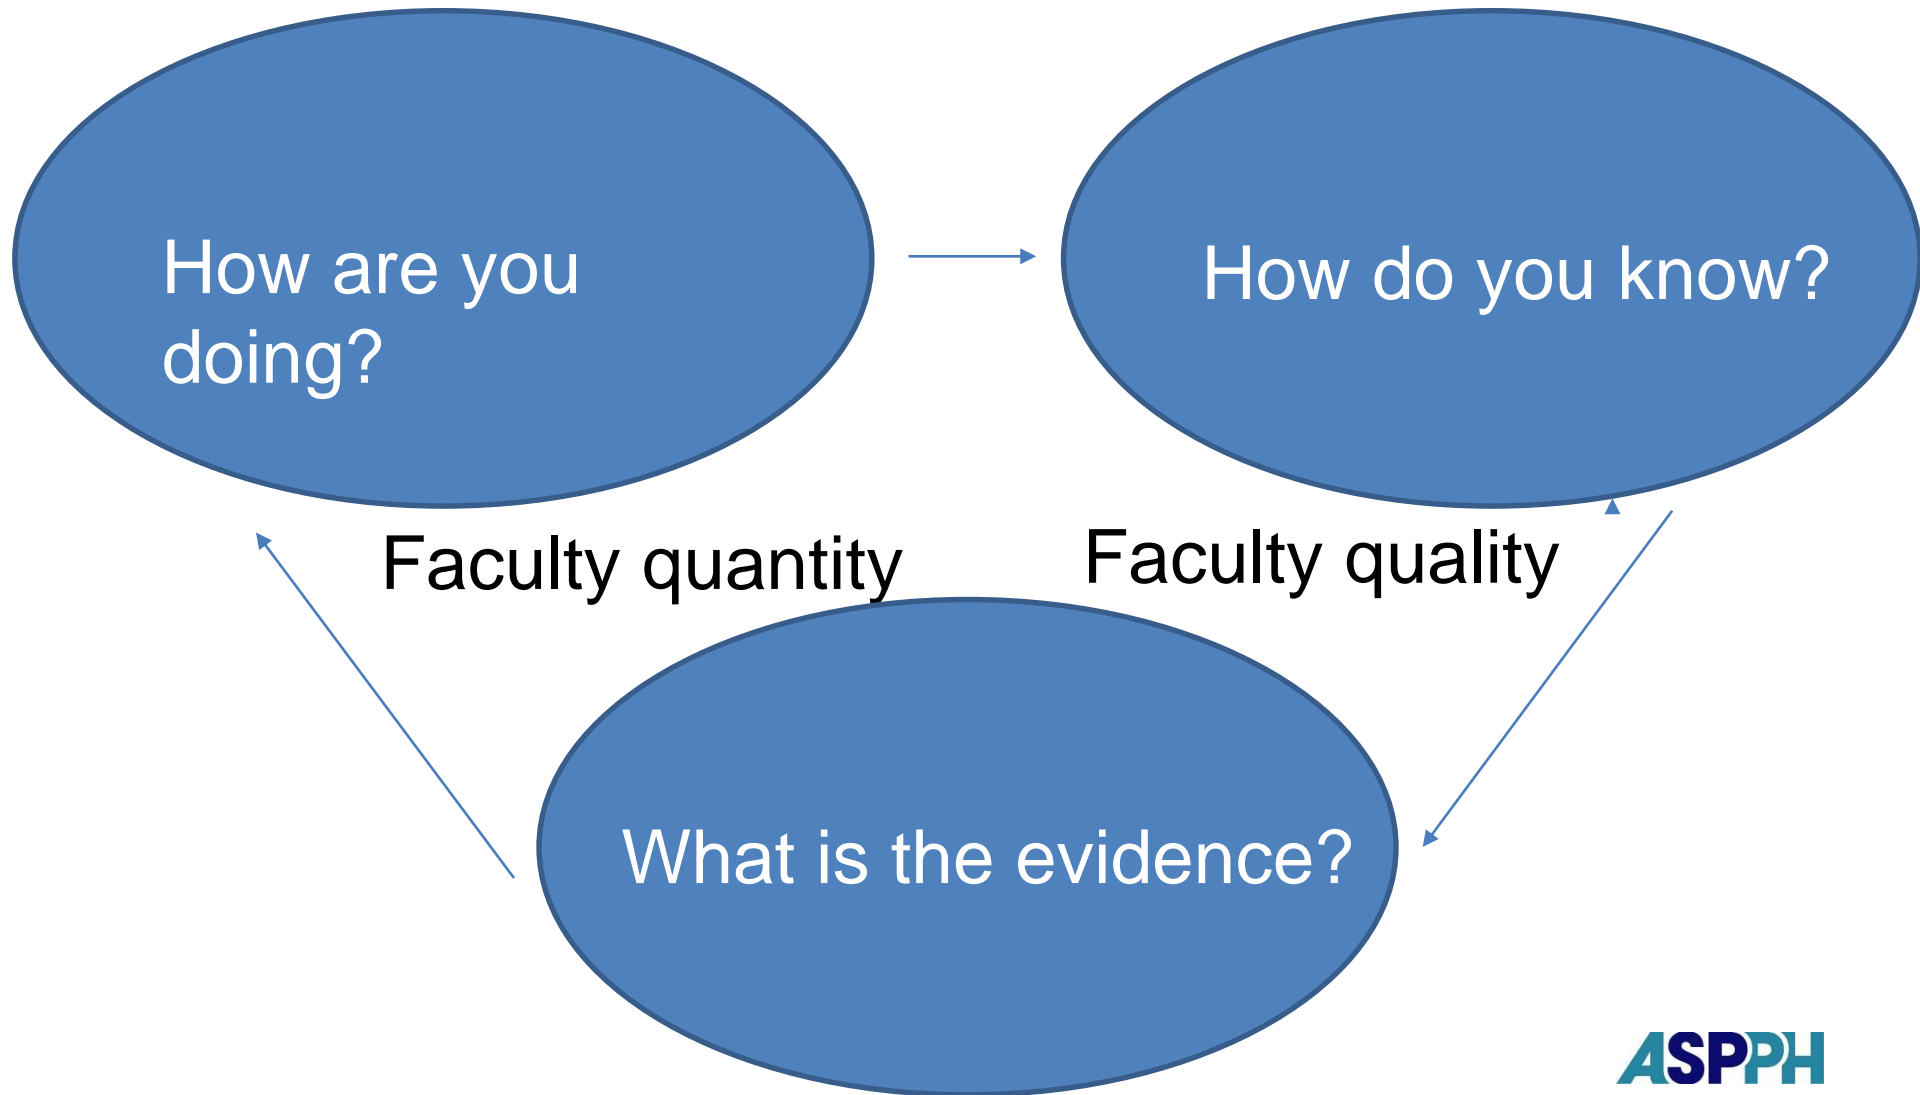

Including the following....

- Comprehensive evaluation plan
- Advancing the field of public health
- Ensuring student success
- Parallels with 1.2: systematic, evidence of regular implementation
- Different from 1.2: flexibility

Layer 2

Layer 3

Layer 4

Assessment of strengths and weaknesses related to this criterion and plans for improvement in his area, if applicable

Onto *Your* Questions and Comments

CEPH should state the equivalent, to clarify 42 semester credits = ?? quarter credits.

Is that possible?

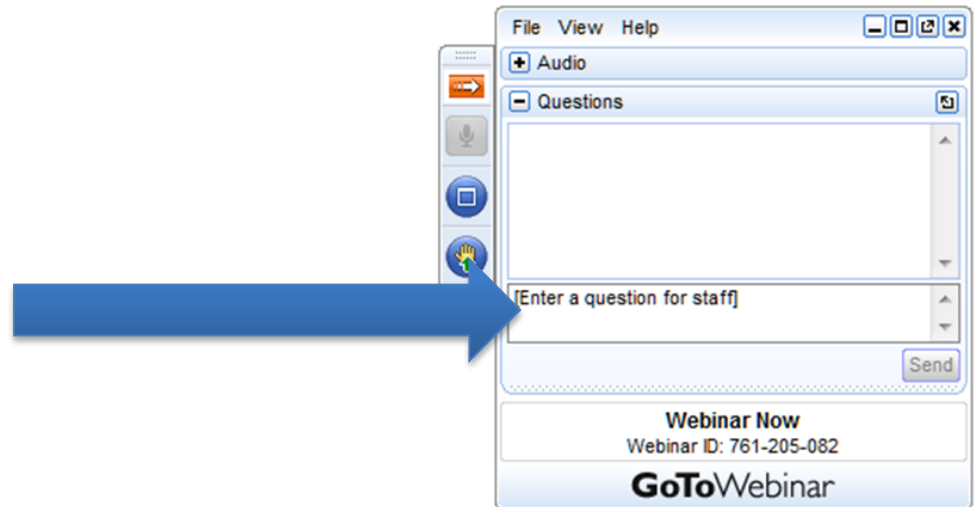

Onto *Your* Questions and Comments

How will site visitors get trained for ensuring a uniform interpretation of the new criteria?
