

Resources for Instructor Peer Review – Schwartz Webinar 12/10/18

- 1) <https://poorvucenter.yale.edu/Observation-Protocols-Teaching-Inventories> A helpful description of various parts of the review process including forms and links to other sites.
- 2) <http://people.tamu.edu/~sdaniel/Notes/Peer%20Review%20of%20Teaching.pdf> A short and sweet description of best practices.
- 3) <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC2384183/> An article that lays out the basics of the review and goes into detail about evaluation criteria.
- 4) <https://cft.vanderbilt.edu/guides-sub-pages/peer-review-of-teaching/> Vanderbilt's exhaustive materials on everything from the "Why" of reviews to the "How" to carry them out.
- 5) <https://www.csu.edu.au/division/learning-and-teaching/home/teaching-staff/peer-review/peer-review-tools-and-resources> Provides multiple templates for reviews.
- 6) Theall, Michael (2002). "[Guidelines for Good Evaluation Practice.](#)" *Focus on Faculty*, 10, 2-3 (part of "Student Ratings: Myth vs. Research Evidence"). (Discusses elements of a good evaluation system, especially how peer reviews and student ratings are complementary components of assessment.)
- 7) Chism, N. (2007). *Peer Review of Teaching: A Sourcebook* (2nd edition). Bolton, MA; Anker Publishing.
- 8) Thomas, S., Chie, QT., et al., (2014). A qualitative review of literature on peer review of teaching in higher education: An application of the SWO.
