

# ASPPH ACADEMIC PUBLIC HEALTH LEADERSHIP INSTITUTE

## THE ADVANCED LEADERSHIP PROGRAM

ASPPH is pleased to announce the Academic Public Health Leadership Institute's newest offering, the **Advanced Leadership Program**.

The **Advanced Leadership Program** is a year-long, cohort-based leadership development opportunity specifically designed for academic public health leaders such as associate and assistant deans, department chairs, and function leaders (finance, student services, etc.) with three (3) years or more experience in their current position at an ASPPH-member institution.

Through real-world case studies, small group discussions, interactive presentations, and other immersive experiences, scholars of the **Advanced Leadership Program** will join a diverse cohort of experienced academic public health faculty and staff to hone their leadership knowledge, practice, and skills.

## PROGRAM OUTCOMES

By participating in the Advanced Leadership Program, scholars will be able to:

Recognize and  
overcome the challenges  
of organizational change

Identify and manage  
leadership strengths and  
weaknesses for increased  
effectiveness

Develop clear action  
plans for leadership  
priorities and challenges  
and implement effective  
strategies

# PROGRAM FACULTY AND DETAILS
